**Subject:** Art Fest Fun Run/Walk

Good afternoon,

I am Ann James from the Prince of Wales Runners/Walkers Club, and I am writing to start a dialogue in regard to having the club stage a fun run/walk one hour before your Coffman Cove by the Sea Artfest starts on Saturday, August 12. We would like to stage a 5k fun run/walk, starting at the ball park pavilion and going out the route used in 2016, toward Thorne Bay. We would provide light refreshments at the end and would award approximately \$100 in certificates to be used at the Artfest booths or at the Bait Shack. The cash for these gift certificates would be given to an Artfest official for reimbursement purposes.

There would be no entry fee and all certificates would be for the purchase of goods at the booths and/or the Bait Shack. We feel that this is a way to get more people active while helping to support and promote the Seafest. I am in the process of filing with the State of Alaska DOT Highway Event Permit agency all of our summer fun runs/walks and would certainly be delighted to include the Coffman Cove event in my filings.

I would like to know your thoughts on this. Or should this proposal go instead to the City Government of Coffman Cove? I would value and appreciate any and all comments. Suggestions are also welcome.

I look forward to hearing from you and thank you for considering this request.

Most sincerely,

Ann James
