Take the whole family on an incredible trip to an unspoiled landscape where it is possible to see an impressive array of wildlife such as black bears, whales, herons, and sea lions. Plenty of adventure can be had hiking, kayaking, fishing, or boating. Stay in a fully furnished lodge, a bed & breakfast, one of the local cabins, or enjoy our camping grounds with RV parking. Coffman Cove has everything you need for your comfort; library with wireless internet, general convenience store, fuel station, both guided and non-guided ocean charters.

Coffman Cove is the only small community on the north end of Prince of Wales Island that is accessible by paved roads. Please see our website for more information on float plane services, ferry, and water taxi. You’ll also find clickable links to our local businesses, where you can make reservations to enjoy your vacation in beautiful Coffman Cove. See you soon!
