

CITY OF COFFMAN COVE

RESOLUTION 14-01

**A RESOLUTION IN SUPPORT OF THE CITY OF COFFMAN COVE PURCHASING A
GEO-THERMAL HEAT PUMP SYSTEM FOR THE COFFMAN COVE CLINIC**

WHEREAS, the City of Coffman Cove recognizes that the cost of operating a ground source heat pump is approximately half the cost of operating a diesel boiler system, and

WHEREAS, the City of Coffman Cove is supplied electricity by an Island wide grid that utilizes hydropower which means the electric ground source heat pump would be utilizing a renewable resource, and

WHEREAS, the City of Coffman Cove will assume financial responsibility for the Geo-Thermal heat pump and associated equipment after the September 30th, 2013 deadline, and

WHEREAS, the City of Coffman Cove recognizes that any part of the Geo-Thermal heat installation project left unfinished at the September 30th, 2013 deadline will be finished and paid for by the City of Coffman Cove, and

WHEREAS, the City of Coffman Cove recognizes that any part of the Coffman Cove Clinic construction project that is left unfinished by the deadline, as a result of designating funds to the geothermal component, will become the City's financial responsibility to finish.

NOW THEREFORE BE IT RESOLVED that the City of Coffman Cove is in agreement with the Denali Commission that a Geo-Thermal heating system would be cost efficient and also a reliable heat source for the Coffman Cove Clinic.

Passed and Approved by a duly constituted quorum of the City Council of Coffman Cove on this 6th day of August 2013.

Carolyn Duncan, Mayor

ATTEST:

Jean Soderberg, City Clerk
