

# City Newsletter

From City Hall

July 2013

## Cost Recovery Update

*Our Fish are Returning to the Cove!*

In the June newsletter I talked about Cost Recover, what it is and why we do it. I also let everyone know that the fish enhancement program is an expense of \$17,000/ year of which we have paid for with grant funding up to now.

We are going to have the Kings we catch during cost recovery, smoked and sold locally. There will be smoked canned and smoked vacuum sealed product for sale at the Arts & Seafood Festival.

So, if you wish to contribute to the Fish Enhancement Program, there is an option other than financial donations or volunteer efforts. You can buy the smoked product or recommend your clients, family and friends purchase some of the smoked products and support the project!

HOWARD VALENTINE SCHOOL

AUGUST 8<sup>TH</sup> 7 A.M. TO 11:30 A.M.

SHOTS, SCREENINGS, EVALUATIONS, BLOOD DRAWS & MORE

## Recycling

*Don't Forget to Separate Cans*

We started accepting aluminum cans for recycling about a year ago. Participation has really dropped off so just a reminder to separate and crush your cans.

## Borough Talk

*More Progress*

"Borough Talk" is an ongoing discussion at our Prince of Wales Community Advisory Council meetings. The Final Borough Study has been published and is full of useful information to guide the island in deciding whether or not borough formation is in our best interest.

As a membership, and with concurrence from each community's council, we made our first advisory decision at the July POWCAC meeting that if a POW Island Borough were to form, we would unanimously prefer a home rule borough over a general law form of borough. The reason was unanimously stated that the act of writing our own charter would help insure the borough was formed in a manner that would suit the needs of individual communities.

Our next homework assignment as a community, is to decide where the revenue to support a borough would come from. In the Final Borough Study, a "menu" of revenue options is displayed. The Coffman Cove City council will choose their most and least favorite options at the August Council Meeting and our preferences will be brought back to the POWCAC meeting in September. These are important decisions folks. They will affect you great great great great and even not-so-great grandchildren so now is the time to participate and speak up. I will make myself available any time for questions (that is any time that I am at work).

Misty Sea

## JOBS JOBS JOBS

Alaska Power and Telephone has announced several openings for both low and high skilled employment.

If you are interested in training for a position in the mining industry please call the job center in Ketchikan. There is a lot of funding available right now for training. They can help!

## MORE WAYS TO CUSTOMIZE THIS TEMPLATE

### FOOTERS

To change the text at the very bottom of each page of your newsletter, click Headers and Footers on the View menu. Use the Header and Footer toolbar to open the footer, and replace the sample text with your own text.

### INSERT SYMBOL

It is a good idea to place a small symbol at the end of each article to let the reader know that the article is finished and will not continue onto another page. Position your cursor at the end of the article, click Symbol on the Insert menu, choose the symbol you want, and then click Insert.

### BORDERS

You can use page borders and text box borders to change the appearance of your newsletter. Borders on text boxes help keep different articles separate, and can set off sidebar articles from the rest of the page. To change a text box border, select it, double click its edge and choose the Colors and Lines tab in the Format Auto Shape dialog box.

### QUESTIONS AND ANSWERS

Q: I would like to change some of the text box shading to improve the print quality. Can that be done?

A: Yes. To change the shading or color of a text box, select it and double click its borders to open the Format Text Box dialog box. Click the colors and lines tab and then choose the new color from the Color drop-down list in the Fill section.

Q: What's the best way to print this newsletter?

A: Print page 2 on the back of page 1. Fold in half and mail with or without an envelope. For best results, use a medium to heavyweight paper. If you're mailing without an envelope, seal with a label.

Q: I would like to use my own clip art. How do I change the art without changing the design?

A: To change a picture, click on the picture, then point to Picture on the Insert menu and click From File. Choose a new picture, and click Insert.

## Inserting and Editing Pictures

*Type your sub-heading here*

You can replace the pictures in this template with your company's art. Select the picture you want to replace, point to Picture in the Insert menu, and click From File. Choose a new picture and then click Insert. Select the Link to File box if you don't want to embed the art in the newsletter. This is a good idea if you need to minimize your file size; embedding a picture adds significantly to the size of the file.

To edit a picture, click on it to activate the Picture toolbar. You can use this toolbar to adjust brightness and contrast,

---

*Choose a new picture, and click the Link to File box if you don't want to save the art with the newsletter.*

---

change line properties and crop the image. For more detailed editing, double-click on the graphic to activate the drawing layer. ■

Q: How do I change the text and borders that appear at the bottom of every page?

A: Click Headers and Footers on the View menu. Use the Header and Footer toolbar to navigate among headers and footers, insert date or time, or format the page numbers. To change the text in the footer, select it and type your new text. To change the border, click Borders and Shading on the Format menu.

Q: Can I save a customized newsletter as a template for future editions?

A: Yes. First make any changes you want to this newsletter, then click Save As on the File menu. Choose Document Template from the Save as type drop down list (the extension should change from .doc to .dot). Save the file under a new name. Next time you want to create a newsletter, choose New from the File menu, then choose your template.
