From City Hall

September 2013

## Coffman Cove Clinic

The new facility is completed and Alaska Island Community Services will be providing services at the Clinic on October 15<sup>th</sup> & 16<sup>th</sup>. The Clinic is equipped with a dental suite which will be used by AICS to provide dental services on a sliding fee scale. We will have an open house on the evening of October 15<sup>th</sup> at 7 p.m. Everyone is invited to join us, have some snacks and take a tour of the new facility.

Now...who is going to pay for the operation and maintenance of the clinic? Are we going to have multiple service providers or just AICS out of Wrangell providing one clinic service per month? The building is City-owned so who pays for what and where does the money come from?

These are all legitimate questions that need answers. The City staff and Council will be working hard on these issues over the next six months. I believe there are several options that would allow the Clinic to operate at no cost to the City.

I understand that the cost of maintaining and operating the new City-owned building is a concern and a legitimate one. It is a concern of mine as well and I assure you that we will work on making sure the Clinic does not become a drain on our fiscal budget. I can't make any guarantees but I am very optimistic.

## Bazaar

*Is anyone interested?*

Heather Hedges would like to hear from anyone who is interested in helping host a Bazaar at this time next year. This is not an event that the City has decided to host. That would need to go through the Council and the budget process. We are simply assessing whether or not there is any public interest. Please contact Heather Hedges if you are interested in volunteering, participating, being a vendor, etc.

City Hall 907-329-2233 or [heather@ccalaska.com](mailto:heather@ccalaska.com)

## School Work-out Room

Don't forget that our calendar year is almost over and those of you who have purchased a key to the school work-out room will be asked to pay up on January 1<sup>st</sup>, 2014. The fee is \$75 per calendar year and the revenue is being saved for up-keep of the facility equipment and possibly new equipment. You can purchase your key at City Hall.

## Affordable Care Act

*How are we affected?*

I'm sure everyone is aware that the Affordable Care Act has passed. Alaska residents will use this website, [HealthCare.gov](http://HealthCare.gov), to apply for coverage, compare plans and enroll. Specific plans and prices are available now and can start as soon as January 1<sup>st</sup>, 2014.

COFFMAN COVE CLINIC

OCTOBER 15<sup>TH</sup> AND 16<sup>TH</sup>

FOR AN APPOINTMENT PLEASE CALL 907-305-1201

## MORE WAYS TO CUSTOMIZE THIS TEMPLATE

### FOOTERS

To change the text at the very bottom of each page of your newsletter, click Headers and Footers on the View menu. Use the Header and Footer toolbar to open the footer, and replace the sample text with your own text.

### INSERT SYMBOL

It is a good idea to place a small symbol at the end of each article to let the reader know that the article is finished and will not continue onto another page. Position your cursor at the end of the article, click Symbol on the Insert menu, choose the symbol you want, and then click Insert.

### BORDERS

You can use page borders and text box borders to change the appearance of your newsletter. Borders on text boxes help keep different articles separate, and can set off sidebar articles from the rest of the page. To change a text box border, select it, double click its edge and choose the Colors and Lines tab in the Format Auto Shape dialog box.

### QUESTIONS AND ANSWERS

Q: I would like to change some of the text box shading to improve the print quality. Can that be done?

A: Yes. To change the shading or color of a text box, select it and double click its borders to open the Format Text Box dialog box. Click the colors and lines tab and then choose the new color from the Color drop-down list in the Fill section.

Q: What's the best way to print this newsletter?

A: Print page 2 on the back of page 1. Fold in half and mail with or without an envelope. For best results, use a medium to heavyweight paper. If you're mailing without an envelope, seal with a label.

Q: I would like to use my own clip art. How do I change the art without changing the design?

A: To change a picture, click on the picture, then point to Picture on the Insert menu and click From File. Choose a new picture, and click Insert.

## Inserting and Editing Pictures

*Type your sub-heading here*

You can replace the pictures in this template with your company's art. Select the picture you want to replace, point to Picture in the Insert menu, and click From File. Choose a new picture and then click Insert. Select the Link to File box if you don't want to embed the art in the newsletter. This is a good idea if you need to minimize your file size; embedding a picture adds significantly to the size of the file.

To edit a picture, click on it to activate the Picture toolbar. You can use this toolbar to adjust brightness and contrast,

---

*Choose a new picture, and click the Link to File box if you don't want to save the art with the newsletter.*

---

change line properties and crop the image. For more detailed editing, double-click on the graphic to activate the drawing layer. ■

Q: How do I change the text and borders that appear at the bottom of every page?

A: Click Headers and Footers on the View menu. Use the Header and Footer toolbar to navigate among headers and footers, insert date or time, or format the page numbers. To change the text in the footer, select it and type your new text. To change the border, click Borders and Shading on the Format menu.

Q: Can I save a customized newsletter as a template for future editions?

A: Yes. First make any changes you want to this newsletter, then click Save As on the File menu. Choose Document Template from the Save as type drop down list (the extension should change from .doc to .dot). Save the file under a new name. Next time you want to create a newsletter, choose New from the File menu, then choose your template.
