

Library Commission Report May 2017

As reported in April our Vista Volunteer Jackie Duden has left. We want to thank her once again for all the work she did for the library and wish her well in her future adventures in life.

The PLA Grant funds budgeted for books have been spent. We sent out last order for books off on May 9, 2017. This order included books requested by our readers as well as book requests from our EMT squad, and new release books. A couple of new magazines have also been ordered for our parents.

The Early Literacy Program at the library continues to be a big draw for our students from Howard Valentine School and our local pre-school age community members. We are seeing a huge increase in book checkouts from our school age and pre-school readers.

The library will have a workday on Sunday, May 21 from 10-noon. Any one interested in helping with the many chores that keep our all-volunteer library open is more than welcome to attend. Coffee and treats will be available.

Good things are happening at the Coffman Cove Library.
