

City of Coffman Cove

Resolution 17 14

A Resolution authorizing the Preliminary Engineering Report for the Coffman Cove
Luck Point Sewer System Study

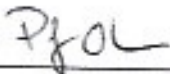

WHEREAS, the City of Coffman Cove received a grant from the Alaska Department of Environmental Conservation, Village Safe Water Program, to complete a Preliminary Engineering Report (PER) for considering solutions to issues with Luck Point's sewer system;

WHEREAS, the Department of Environmental Conservation is requesting a resolution officially adopting the Preliminary Engineering Report;

WHEREAS, CRW Engineering Group, LLC has been approved by the Coffman Cove City Council as qualified and prepared to complete the aforementioned Preliminary Engineering Report to address system improvements for the sewer study;

NOW THEREFORE BE IT RESOLVED that the Coffman Cove City Council has authorized CRW Engineering Group, LLC to administer and submit the Preliminary Engineering Report for the Luck Point Sewer System Study.

PASSED AND APPROVED by a duly constituted quorum of the City Council of Coffman Cove, Alaska this 20th day of April, 2017.

Perry Olson, Mayor

Gina Cavaretta, Clerk
