Report to Council
Coffman Cove Community Library

Our Early Literacy and Joelle have been busy with the school kids with reading and projects. The kids seem to really enjoy coming into the library for this program.

We have been busy processing donated books along with movies on DVD's.

Thank you Dawn for all your hard work helping to get most of our books processed. We are finally catching up until the next donation.

Thank you Carolyn for decorating the library with all the Christmas decorations. It looks great!

Thank you to all our volunteers for making it possible to have our library open as often as it is along with cleaning and other projects.
