Report to Council
Coffman Cove Community Library

It's a new school year and Dawn Rosenlund has arranged to have the school kids come down for Story Time with discussion and questions. They then get to return and check out new books for the week. It is great seeing all the school kids enjoying our library.

We are working on an area in the library to display books and authors with connections to Coffman Cove and SE Alaska.

Lots of new to us....DVDs that are being processed and entered into our system with more to come.

We are continuing to enter newly donated books to our library. We have such wonderful library followers that love to help make our library what it is.

Statistics to follow...
